## Child Safe Code of Conduct

### **Rationale:**

Warracknabeal Secondary College is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

**Warracknabeal Secondary College is committed to child safety (Ministerial Order No. 870) and takes all reasonable steps to ensure that the safety of our students is paramount.**

### **Aims:**

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

### **Implementation:**

The Principal and school leaders of Warracknabeal Secondary College will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments.

The Principal and school leaders of Warracknabeal Secondary College will also provide information and support to enable the Code of Conduct to operate effectively. All staff, contractors, volunteers and any other member of the school community involved in child related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

### **Acceptable Behaviours:**

As staff, volunteers, contractors, and any other member of the school community involved in child related work individually, we are responsible for supporting and promoting the safety of children by:

- upholding the school's statement of commitment to child safety at all times and Child Safe policy
- treating students and families in the school community with respect both within the school environment and outside the school environment as part of normal social and community activities.
- listening and responding to the views and concerns of students, particularly if they are telling you that they or another child has been abused or that they are worried about their safety/the safety of another child
- promoting the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander students
- promoting the cultural safety, participation and empowerment of students with culturally and/or linguistically diverse backgrounds
- promoting the safety, participation and empowerment of students with a disability
- reporting any allegations of child abuse or other child safety concerns to the relevant Assistant Principal
- understanding and complying with all reporting or disclosure obligations (including mandatory reporting) as they relate to protecting children from harm or abuse.
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.

### Unacceptable behaviours

As staff, volunteers, contractors, and any other member of the school community involved in child related work we must not:

- ignore or disregard any concerns, suspicions or disclosures of child abuse develop a relationship with any student that could be seen as favouritism or amount to 'grooming' behaviour (for example, offering gifts) – this does not include rewards for students based on transparent and clearly defined objectives
- exhibit behaviours or engage in activities with students which may be interpreted as abusive and not justified by the educational, therapeutic, or service delivery context
- ignore behaviours by other adults towards students when they appear to be overly familiar or inappropriate
- discuss content of an intimate nature or use sexual innuendo with students, except where it occurs relevantly in the context of parental guidance, delivering the education curriculum or a therapeutic setting
- treat a child unfavourably because of their disability, age, gender, race, culture, vulnerability, sexuality or ethnicity
- communicate directly with a student through personal or private contact channels (including by social media, email, instant messaging, texting etc) except where that communication is reasonable in all the circumstances, related to school work or extra-curricular activities or where there is a safety concern or other urgent matter
- have students on social media as contacts (Facebook/Snapchat/etc.) except where there is a pre-existing family or community connection
- photograph or video a child in a school environment except where parent has given permission or where required for duty of care purposes. Staff should consider how storage of these photos on personal devices could be perceived; deleting at the end of each school year is recommended
- consume alcohol in the school environment, or at other school events where students are present, without approval by School Council
- take illicit drugs or become inebriated in the presence of students under any circumstances

**Evaluation:** This Code of Conduct will be reviewed annually.
